

## **Licensed Professional Counselor Supervision**

I value learning, growth and professional formation in myself and want to be a support and resource for yours as well.

If you are an NC LPC Associate, and need to accumulate supervisory hours for your NC LPC, *or* if you are an NC LPC and want additional supervision/consultation for particular areas of professional development, you can contact me at 704-375-5354, ext. 406 or at [counselorlarsen@carolina.rr.com](mailto:counselorlarsen@carolina.rr.com).

If you inquire about supervision, I will email you some additional information about me and ask you to meet with me face-to-face (no charge) to get acquainted, answer your questions and clarify details about what are your supervision needs. Also I want to make sure my gifts and areas of expertise are a good match for your learning goals.

For NC LPC Associates in Supervision we will need to meet 1 hour of face to face supervision for every 40 hours worked. If additional time is needed, Skype sessions are possible. Group sessions also are available if there are enough compatible supervisees.

Individual supervision sessions are 45-50 minutes in length and the cost is \$75.00 per session. Groups of two (triadic) supervisees are \$45.00 per person per single session. For groups of three or more, the total charge is \$50.00 per person for 2 clinical sessions (1.5 clock hours). The charge for a written Supervision Report is our organization's standard charge: \$50.00 per page.
